Matriculation ceremonies

Charles University maintains the traditional academic rituals of passage: matriculation and graduation ceremonies. In a matriculation ceremony, students entered in the student register of a faculty (*matricula*) pledge to fulfil the requirements of academic study, to honour their moral obligation toward the University, and to respect its internal regulations and the decisions of academic officials.

The order of the matriculation ceremony is stipulated by [Matriculation and Graduation Code of CU](#) . Like most Charles University ceremonial events nowadays, matriculation ceremonies take place in the Aula Magna of the Carolinum. They feature University insignia and the University officials present at the ceremony wear academic gowns. The schedule of upcoming matriculation ceremonies is available in the [Student Information System](#) .

For information about the division of students into groups for successive matriculation ceremonies, please contact the study department of the relevant [faculty](#) .

Doctoral graduation ceremonies

Charles University holds either separate graduation ceremonies for doctoral graduates of a single faculty, or joint ceremonies for several faculties, depending on the number of graduates. Joint graduation ceremonies are organized by the Curriculum and Student Affairs Department of the Rectorate and take place twice a year, in May and November. Faculty graduation ceremonies are held by the relevant faculty once or twice a year, depending on the number of graduates.

Doctoral graduates receive all information on the graduation ceremony by mail from their respective faculties (i.e. its Research or Study Department).
