## Université de Montréal

#### University website

**Participating faculties:** FF, FHS, FSV, MFF , PF, PřF, PedF

**Number of available slots:** 4 semester-long or 2 AY-long places per year

**Conditions:** The agreement exempts from paying the tuition.

**Detailed information** regarding the application procedure, course selection, language requirements, deadlines, etc. can be found at [UdeM international](#) . Classes are taught in French, proof of sufficient language proficiency is required. Master's program students may enroll in a maximum of one bachelor's level course. Exchange students may only attend master's level courses after completing at least one semester of the master's program at Charles University. The partner university has strict rules regarding the selection of courses for exchange students; some are inaccessible or restricted, so it is necessary to carefully read the relevant information.

**Information for exchange students:** [fact sheet](#) [fiche d'information](#)

Documents for the selection process must be submitted in **French**.

As part of the exchange program, Université de Montréal also offers the opportunity to accept students from partner universities for **research stays**. The research stays can take place at any time, but their duration may not exceed six months. The offer applies to all students, including undergraduates. Unlike regular exchange program, there are no language requirements for research stays. For more information see [Research Exchange](#) . Students interested in research stays should follow the instructions on the [website UdeM](#) and do not need to go through the CU Rectorate selection process.
