
About the Alumni Club of Charles University

The Charles University Alumni Club (CU Alumn Club) brings **together** graduates from all seventeen faculties of our University. We strive to create a platform for mutual communication between the University and its graduates. Through the CU Alumni Club, members have the opportunity to meet **friends** from their years of study, former teachers, or new experts in the field. At the same time, we also support the development of professional contacts, be it for finding a job, entering into **cooperation** on a project with the University, or between members.

Here is what you can get if you join the CU Alumni Club:

- Meet classmates, friends, and educators
- Continue your education with lifelong learning programmes
- Free access to the University Libraries
- Career consultations at the University's Career Centre are free two years after your graduation.
- Special benefits & discounts
- Participation in special events (alumni gatherings, educational programmes, etc.)
- Monthly Email Newsletter about news and events for alumni
- Joining CU Alumni Club Ambassador Programme
