## Welcome to the Alumni Club website!

Welcome to the website of the Alumni Club of Charles University, where you can find out what it means to be a member of the club, the benefits you get as a member and regular updates about the events we are preparing. Being a member of our community means continuing to be a part of Charles University, which also wants to take care of its graduates after graduation and not lose contact with them. Join us, tell us how you are doing, and inspire others. We are proud of our students. We are proud of our graduates. We are proud of you!
