# Mobility Fund

---

The CU Mobility Fund (hereinafter referred to as CU MF) enables **full-time students** and **academic staff** to benefit from a financial contribution towards mobility **around the world**.

The aim of the Charles University Mobility Fund is to provide financial support for:

- **study at a university abroad for one to two semesters**
- participation in international academic or professional events of students abroad
- short-term scientific or research stays abroad
- studies of international students at Charles University
- studies of international university or scientific staff at the CU

**The following are eligible to apply for financial support from the CU Mobility Fund:**

- **full-time student (Bachelor's, Master's, Doctoral)**
- academic employees with an employment contract of 0.5 FTE or above
- faculties for the purpose of covering the costs associated with stays of international students at CU
- faculties and other CU bodies for the purpose of covering the costs associated with stays of international academic staff at CU

## Important Documents

[Methodological Guidelines for the Mobility Fund of Charles University for Autumn Round 2025](#)

[Statutes of the Mobility Fund of Charles University \(Rector's Measure no. 33/2018\)](#)

[Priorities for the activities of the Mobility Fund of Charles University \(Rector's Measure no. 39/2024\)](#)

**Competitive proposals** (applications for financial support from the Mobility Fund of Charles University) must be submitted via [the electronic application IS Věda UK](#) (section PAS – Projects and Competitions). To log in, you will need your username (personal number) and CAS password.

**Links to manuals** for creating an application for financial support from the Mobility Fund in the IS Věda UK can be found here:

- [Manual for applicant](#)
- [Manual for guarantor and contact persons](#)

## Important Deadlines

**Submission periods in 2026:**

Summer semester	<b>February 1 – March 13, 2026</b>
Winter semester	<b>October 1 – October 31, 2026</b>

### Competitive Proposal Assessment Process

[The Mobility Fund Council](#) will evaluate the submitted applications within 30 days of the University's deadline. The results of the MF Council's evaluation are submitted to the Rector's Board for approval.

Administration is provided by the Rectorate's International Relations Office.
